# Activating The Power

Pastor Chris

**“But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth” (Acts 1:8).**

Sometimes when people pray, they expect the power of God to come down from heaven and change their situation. However, the truth is that the day you received the Holy Spirit, you received the power of God into your spirit, and that power is capable of changing anything!

In the Old Testament, only the priest, the king, and the prophet had the anointing of the Spirit rest upon them. However, before Israel had kings, they had judges such as Deborah, Gideon, and Samson, on whom the Spirit came. The Bible shows us the unique way Samson activated the anointing of God upon his life. When the Philistines came to attack him, he said “...I will go out as at other times before, and shake myself...” (Judges 16:20). This reveals that going out and shaking himself was something he did to activate the anointing.

Note that the Spirit was upon him but we have the Spirit in us and we activate the power by speaking in tongues. **1 Corinthians 14:4** says, “**He that speaketh in an unknown tongue edifieth himself...**” To edify means to build, embolden, or charge up. Therefore, the one who speaks in tongues charges himself up; he stirs up the power of God that is within him.

When you activate the power of God in you this way, the glory of God will be revealed in your life. If you were weak in your body, the power would rise within you and you would be strengthened. The power of the Spirit working in you like this helps you overwhelm doubts and fears, and invigorates your physical body.

**Jude 1:20** says, “**But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost.**” When you pray in the Holy Spirit, you build up yourself on your most holy faith; that is the highest level of faith you attain by inspiration of the Spirit through the Word. It is your most sanctified faith, thoroughly devoid of fear and doubt.

However, some people don’t always operate according to their most holy faith. So, the Bible tells us that through praying in the Holy Ghost, we build ourselves up to function at the highest level of faith we’ve ever attained. And you’ll function at this height until the Word of God takes you to a higher level of faith. Thus, by continually praying in the Holy Ghost, you’ll always function at your highest level of faith.

This is why you must receive the Holy Spirit. After you’re born again, receiving the Holy Spirit is the next most important thing in your life. You can’t live a successful Christian life without the Holy Spirit. If you’ve already received the Holy Spirit, speaking in tongues is a spiritual necessity. It’s not something you do once and forget about until a situation arises.

Have specific times every day when you spend quality time speaking in tongues. You can’t do this long enough without the power of God rising in your spirit and energizing your faith to serve the Lord better. The Bible says, “**Let God arise, let his enemies be scattered...**” (**Psalm 68:1**). Let His power arise – let it be stirred up in you – and the works of Satan, the adversary, will be scattered. Hallelujah!

# Wondrous Expectations and Great Preparations for an Outpouring of Extraordinary Miracles

## FRIDAY TO SUNDAY, 18–20 MARCH 2022

**T**he Healing Streams Live Healing Services will begin on Friday the eighteenth of this month and, already, there is a great deal of excitement among people all over the globe. With over 6.5 billion people reached with God's healing power through previous editions, this epochal event has resulted in a massive influx of souls into the Kingdom and an exponential increase in the reach and influence of the Gospel of Jesus Christ.

Exceptional times for supernatural expressions, the Live Healing Services see people of all ages, from all over the world, gather for the august event. Those diagnosed with diverse sicknesses participate, hoping to experience divine transformation. Others attend with anticipation to witness the mighty move of God's wonder-working power.

Even at this moment, preparations are ongoing and many share their expectations...

*"I am very excited about the Live Healing Services with our man of God because I am anticipating an increase in miracles and healing of all manner of sicknesses and diseases. During the last edition, we saw people get healed and it was amazing. I am looking forward to this and I urge you to join in and partake. Get ready to receive healing and grace to carry healing to your community, your city, your state, and your country."*

**Bishop Janice Best**  
**United States of America**

*"I have great expectations for the upcoming Healing Streams Live Healing Services with Pastor Chris. I expect people to be healed of diverse illnesses and diseases. I just want to say thank you to Pastor Chris for bringing us healing online and touching so many lives across nations and different cultures. Thank you for your dedication to the Gospel and bringing this message of salvation and health to the world."*

**Camryn Boshoff**  
**United Kingdom**

*"The Live Healing Services will be amazing and I'm so excited because I know that tremendous miracles will happen. Many people who connect will get healed and they'll have testimonies. I look forward to hearing these beautiful testimonies. I will be hosting virtual centers and I know many have registered by now and are going to connect during that time. I encourage everyone to register and be a part of this coming program."*

**Lydia Sobayen**  
**Kenya**

Each healing service is distinctively earmarked for wonders, miracles, and testimonies. People from all over the world are enraptured in the awesomeness of God's presence as they pray and sing songs of praise and worship, glorifying the Lord with their hearts, hands, and voices.

Inspiring others to stand firm in faith and to take hold of their miracles, several people tell their tales of triumph and share testimonies of their supernatural encounters with God's infallible grace during previous editions of the Live Healing Services.

Through riveting discussions and exciting testimonies, senior ministers of the Healing School exhort the global audience with God's Word and prepare many to receive their miracles.

When the man of God – Pastor Chris – arrives, many are ready for their special moment of visitation, ready for that divine impartation that will change their lives forever. Full of the Holy Ghost, he passionately ministers the Word and transmits the healing power of God to

the global audience.

The oppressed experience relief as the devils are cast out of their bodies; the blind see, deaf ears pop open, and the lame walk when the power of God touches them where they are. Diverse ailments and medical conditions, many of which had hitherto defied solution, instantaneously become history.

Whether in homes or offices, car parks or leisure parks, churches, palaces, or hospitals, military bases or police stations, it's usually easy to identify places that are connected to the healing services. The celebrations and shouts of exultation as many receive unprecedented miracles of healing and restoration in their bodies and minds are unmistakable.

Over the past year, many have attended the healing services, believing in the power of God to cause the change they desired. The miracles they receive are proof that God hasn't changed. What He does for one, He'll do for another under the same circumstances. He is the same yesterday, today, and forever.

# Wondrous Expectations and Great Preparations for an Outpouring of Extraordinary Miracles

**1** 8-year-old Breakthrough Mene from Nigeria was paralyzed for four years. When he attended the Healing Streams Live Healing Services, the man of God gave the word and, as God's power moved through his body, Breakthrough took his first steps in four years. Today, totally transformed, he has a story of unspeakable joy and abundant grace.

BREAKTHROUGH MENE

**P**aula Galloway, a 61-year-old Portuguese living in the United Kingdom, was diagnosed with osteoarthritis in 2010. Her condition deteriorated to the point where she required the aid of a walking cane and was in constant, severe pain. She was invited to the Healing Streams Live Healing Services. During the service, Pastor Chris prayed for a woman in Portugal. When Paula saw that woman getting healed, she decided that this was her moment. She put her hands on her knees and stretched her legs. When Pastor Chris told the woman she was healed, Paula received the word. Immediately, she stood up and started walking, completely healed by the power of God. Now, she can jump, bend, and climb stairs freely.

PAULA GALLOWAY

**W**hile taking a walk in January 2021, Su Nengyu from Taiwan slipped and fell, and broke her tibia as a result. As soon as this was discovered, surgery was done and metal plates were inserted to hold the fragmented bones together. After being discharged from the hospital, she had to rely on a wheelchair to move about. Months of rehabilitation passed with little progress; she could manage a few steps with the aid of a walker. Her right foot was still weak and she rested on the left foot for support. Following the Live Healing Services, Su testifies, *"The power of the Holy Spirit was very strong. When Pastor Chris said to do something I couldn't do before, I stood up straight and squatted, and I felt that my right foot was full of strength. I can walk without any help now."*

SU NENGYU

The next edition of the long-anticipated Healing Streams Live Healing Services with Pastor Chris is right around the corner. Following the Scriptures, we know that the glory of the latter will be greater than the former (Haggai 2:9). This episode of the miraculous will be far greater than anything that's come before.

In the days and hours leading to this iconic event, billions all over the world are preparing to partake of the extraordinary grace and the power of God that will pour into the nations with healing and salvation. # I FELT GOD'S TOUCH

*Apostle Jorge Garbey's Story*

**T**he greatest thing in life is discovering your purpose in God and fulfilling it. This is true and, for those who have found out what that purpose is, they'll tell you that there's no greater joy or blessing to be had. But what happens when situations and circumstances hinder the pursuit and fulfillment of one's God-given purpose?

Apostle Jorge Castillo Garbey suffered from concurrent hypertension and diabetes. His situation became further complicated when venous hypertension caused a vein in his right ankle to burst, leading to a chronic leg ulcer he suffered for 15 years.

Being a missionary to the interior of Cuba, this condition was very hard on Apostle Jorge. His evangelistic ministry involved going to hard-to-reach places, which meant a lot of walking at the end of navigable roads. But he had to put a hold on the work as the pain in his leg worsened with each passing year. *"I used to walk with a lot of pain; I would limp around most of the time and I got tired very easily. The pain was so bad it often robbed me of sleep,"* he recalls.

**"I used to walk with a lot of pain; I would limp around most of the time and I got tired very easily. The pain was so bad it often robbed me of sleep."**

The heat and humidity in Cuba necessitates light dressing, but Apostle Jorge was forced to cover up

the ulcer and suffer the hot weather all the time as he didn't want to see people cringe or pity him when they saw his ankle. As time went on, he began to miss out on church and social events, preferring instead to conserve his energy and keep his condition as private as possible. *"I couldn't go to any outings with my family, friends, or the church. Added to the continuous pain, I was short on finances and couldn't buy the medicine I needed,"* he says.

Having lived under such tough circumstances for so long, Apostle Jorge had had enough. He had a calling to fulfill and he needed to get his life back on track. It was time for a miracle. *"I was tired of my condition and I wanted God's touch in my life,"* he reminisces.

Decided, Apostle Jorge was amazed at how quickly the Holy Spirit orchestrated the change he needed when he was invited to the Healing Streams Live Healing Services with Pastor Chris by a fellow minister. The minister has a testimony of being healed of cancer when she came in contact with the healing ministry of the man of God, Pastor Chris, 11 years ago. Her story gave Apostle Jorge hope and galvanized him to action.

He talks of his anticipation: *"I set up a healing center and many brothers and sisters from the church came to watch. We all had great expectations of healing; I knew I was going to receive my miracle that day."*

By the time the services started, the excitement at the healing center was intense. Nothing mattered and no distractions were allowed. Everyone gathered paid keen attention to every word, singing along to every

song, praying, and worshipping the Lord like it was the most important thing in the world.

When Pastor Chris started to pray for the sick, Apostle Jorge was ready. He recounts his experience: *"Pastor Chris prayed for all the nations, declaring healing over them. I placed my hand over the screen as he mentioned various conditions. When he mentioned my case, I felt God's touch. I did not see anything, but I knew I had received something from the Lord."*

Indeed, he had received a miracle. Three days after the healing service, he woke up to find that the ulcer had dried up. Where there was once a weeping wound, there was new skin now. Also, the hypertension and diabetes, along with all symptoms, were gone. He was totally healed!

Full of life and energy, Apostle Jorge declares his testimony and explains what this miracle means: *"My life is better now. I am strong, I can go anywhere I want with no pain at all! The ministry is big and I need to visit different churches in many villages. Before, I couldn't always do it; local transportation takes you to a certain point, and then you have to walk the rest of the way. With the ulcer, it was very difficult. This miracle means that the ministry will grow even more; it means new souls for the Kingdom of God."*

Today, Apostle Jorge travels around to churches in various remote locations across Cuba, telling all who will listen about how God healed him at the Healing Streams Live Healing Services with Pastor Chris. He has inspired faith for healing and salvation in many, with several testimonies recorded.

*"Everyone who hears my testimony is happy and it inspires them to believe in miracles. Now, they know healing is real. Many people I have prayed for have been healed. At the hospital where I was treated, at least one person died every week, but since I started praying in the ward, there hasn't been a death in over two months,"* he reports.

**"Everyone who hears my testimony is happy and it inspires them to believe in miracles. Now, they know healing is real. Many people I have prayed for have been healed. "**

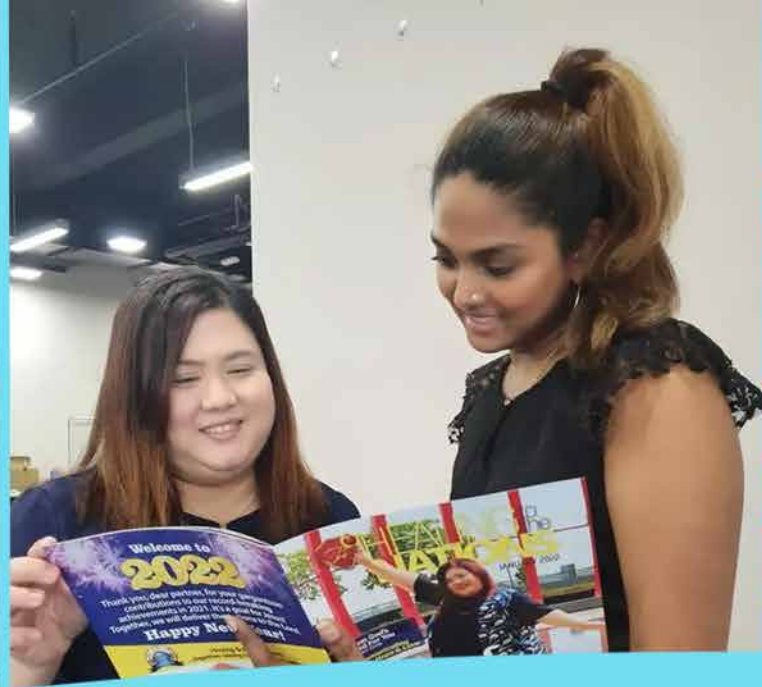

With one touch from God, Apostle Jorge has gone from needing healing to ministering healing to others and teaching them to exercise dominion over sickness and death by the power in the Name of Jesus. Indeed, he is a living testimony of God's goodness and His unconditional and unrestrained loving kindness. Glory to God!

**The upcoming Healing Streams Live Healing Services with Pastor Chris will hold from 18 to 20 this March, and there will be a unique opportunity to celebrate the marvelous power of God and healing to the nations. Register now at [www.healingstreams.tv/3days](http://www.healingstreams.tv/3days).**

# IMPACT REPORTS *from* SPREAD FAITH CAMPAIGN

I was admitted to the hospital for over two weeks. I was weak and in a lot of pain, I had nausea and fever, and there was no appetite. After several tests, there was still no diagnosis. During the third week, someone gave me a copy of the Healing to the Nations Magazine. I was drawn to the Word and the faith's proclamations. I put my faith to work and I kept making confessions of divine health. A few days later, I was discharged because I had fully recovered.

**Michael from South Africa**

My cousin, Nolitha, was admitted to the hospital because she had internal bleeding. We were worried about her health condition. Then, I received the Healing to the Nations Magazine from a friend and when I read the testimonies and confessions, my faith was stirred. I decided to share the magazine with her. From then on, she began to make bold declarations daily, thanking God for her healing and telling her body that the life of God is at work in it. To the glory of God, her body began to respond; the bleeding stopped and she was healed of every infirmity. Praise God forevermore. Thank you, Pastor Chris, for the Spread Faith Campaign.

**Bongeka from South Africa**

From 2014, I suffered from mental illness. I would literally feel air entering inside my head, then my head would feel hot and cold at the same time. Due to the instability, I couldn't hold a job or keep friends. Then, I got a copy of the September 2021 edition of the Healing to the Nations Magazine and I started studying it. I kept it close at all times. One night, I felt someone lay hands on my head but when I woke up, the only thing touching me was the magazine. I knew I was healed. After that, the disturbance was gone. It's been seven months now; I have a steady job and I do everything with full concentration. Thank You, Jesus!

**Harriet from Kenya**

# Faith's PROCLAMATIONS of Healing & Health

**“For the word of God *is* quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and *is* a discerner of the thoughts and intents of the heart” (Hebrews 4:12).**

**T**he Word of God goes into the deepest recesses of your body. It is active, operative, energizing, and effective, and it is sharper than any doctor's knife. It gets far enough, penetrating to the dividing lines. When you are listening to the Word of God, it doesn't only go into your heart. It goes through your body.

The Bible says Jesus healed the sick with His words. When He said, “*You are free*,” they were freed. When He said, “*Receive your sight*,” they began to see. That is how powerful God's Word is and that is the same Word you have received into you. It is working inside you now. The Word of God that God speaks is alive and full of power. When you hear it, it doesn't just stop, it is active and operative. That means producing what it talks about.

## **CONFESSIONS**

The Word of God produces supernatural strength in me. Today, I experience its transforming power in every part of my body! I'm living an exceptionally great life here on earth and I am in perpetual dominion over sickness and life's circumstances. I live the perfect and transcendent life in Christ Jesus. Hallelujah!

My mind is flooded with the light of God's Word and I only see pictures of life, strength, and health. I'm from above and my life is the supernatural life of God's Word. I think the right thoughts, speak the right words, and receive the results of God's Word in my life today and always.

My words are anointed with power because I'm filled with the Holy Spirit! The Rhema of God that changes things is in my heart and in my mouth today. In the Name of Jesus, I pronounce health, increase, progress, and prosperity in my life; my organs are invigorated with the life-giving Word of God, and I am alive!

I walk with the Spirit of God and I'm constantly transported by Him into the glorious and higher realms of life, far removed from death, defeat, destruction, sickness, and failure. My eyes of understanding are enlightened; I see the invisible and I'm empowered to do the impossible. My life only goes in the direction of God's purpose. Therefore, I'll never be sick in life; I

can only grow from strength to strength, for divinity has been activated in my body. Hallelujah!

The Lord is my rock and my fortress, my shield and hiding place. Therefore, I'm assured that no weapon formed against me shall prosper, for I am divinely protected from the perils and evils in the world. I declare that I'm fortified against sickness, disease, and infirmity, in Jesus' Name.

The life of Christ in me makes me superhuman! I recognize the divine ability, efficiency, and might that are at work in me today. By virtue of the divine life of Christ in me, every cell of my blood, every bone of my body, and every organ in me is invigorated; no infirmity can fasten itself to my body, and all things are possible unto me.

I am born of the incorruptible Word of God that lives and abides forever. That same Word is life and health to my flesh. The Word of God vitalizes my body and keeps it in perfect condition always.

I do not live by blood. I live by the Word of God. As the Word is incorruptible, so am I. My body is unbreakable. The Word of God grows in my spirit, producing wellness for my body, keeping every part of my body alive and in perfect shape.
