Change *is* Possible!

**“...If thou canst believe, all things are possible to him that believeth”
(Mark 9:23).**

Miraculous accounts abound in God’s Word that show us that, no matter how impossible the situation seems, change is possible! There’s no situation so hopeless God cannot change it!

In the Gospels, a man whose son was bound by an evil spirit that sometimes threw him into water and fire to destroy him, brought him to Jesus. It was a deaf-and-dumb spirit that caused him to suffer these frequent epileptic seizures (Mark 9:14-20).

In desperate need of a change, the man cried out, *“If you can do anything, have mercy. Help us.”* Jesus answered him saying, *“If you believe, all things are possible to him that believes”* (Mark 9:22-23). Then, Jesus rebuked the evil spirit and the boy was healed instantly.

One important thing to note in effecting the change you desire is that you have a role to play. There are Christians who keep hoping that God would come into their situation and make things all right.

“And Jesus answering saith unto them, Have faith in God. For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them” (Mark 11:22-24).

These profound words from the Master show us that we can change anything, and also tell us how. Jesus said, *“Have faith in God.”* In other words, *“Have the God-kind of faith.”* This is the kind of faith God operates to produce whatever He desires!

In the Scriptures, Jesus demonstrated this kind of faith and showed us how it functions. When faced with a situation He didn’t like, He didn’t keep quiet. Instead, He spoke what He wanted. **Mark 11:14** says, **“And Jesus answered and said unto it... And his disciples heard it.”**

The God-kind of faith speaks! It’s important to note that the Bible specifically tells us Jesus spoke to the tree and His disciples heard it. He spoke out loud, not in His mind. That’s how the God-kind of faith works!

Another important thing to note is that Jesus didn’t wait to see if there were any changes. He simply made the declaration and continued on His journey, but Jesus knew something had happened and just went on His way. It wasn’t until the next morning that the changes became evident (Mark 11:13-21).

Someone says, *“I won’t believe it until I see it.”* Well, that’s not how the God-kind of faith works. Believing comes ahead of seeing. If you don’t believe it, you’ll never see it. Your faith in God’s Word is your evidence!

Now, you may ask, *“How can I get the God-kind of faith?”* If you’re born again, you’ve got it already! God has given to every one of His children the measure of faith (Romans 12:3). This means you got it the day you were born again. All you need to do now is use it to cause the changes you desire in your life.

Your life and future are actually in your hands. If there’s a condition in your body that you don’t like, don’t tolerate it; change it! It doesn’t matter how hopeless the case seems; with the God-kind of faith, you can change anything.

This is God’s desire for you! He doesn’t want you to be a victim. He wants you to come to the point in your life where nothing moves you; where you’re unfazed in the face of adversity because you know you can change anything!

Are you in a condition that seems hopeless? Believe and settle it in your heart today that change is possible. It doesn’t matter how terrible the case is; you can have a miracle today! There’s nothing too hard for God; He can transform your whole life in a moment.

To change anything, Jesus said, **“Only believe!”** (**Mark 5:36**), for all things are possible to the one who believes (Mark 9:23).

FROM HEAD TO TOE

Mike Huang's Total Restoration

In 2016, 27-year-old Mike Huang from China was a young man full of life and bursting with dreams. He'd just graduated from the University of Liverpool. With a degree in finance, the world was full of opportunities. Like most people his age, Mike was optimistic. Life could only get better.

Then, something happened that knocked his life off track. Mike started noticing worrisome symptoms like recurrent nausea, unsteady gait, and uncoordinated movements. This prompted a visit to the hospital where he was diagnosed with a brain tumor.

"Mike had just graduated from the university when we got the news that he had a tumor in his brain. It was a total disaster for us as a family," says Sabrina, Mike's mother.

Surgery was recommended and the tumor resection was successful. This should have been cause for celebration but when Mike woke up after the surgery, he wasn't quite the same.

"My left eye had double vision, I had lost most of my memories, and my movements were not coordinated," he points out. Mike had suffered a brain injury during the surgery that resulted in memory loss so severe that he required specialized care.

Mike had suffered a brain injury during the surgery that resulted in memory loss so severe that he required specialized care.

Rehabilitation was a long, hard road for a young man like Mike. He needed to relearn the most basic things; how to walk, how to take care of himself, and how to speak properly. Before the tumor and the surgery, Mike had been

an active young man with a sunny disposition and an easy smile. After these events, he became a shadow of himself.

In 2018, tragedy struck again. Mike had an accident that further complicated his life. He sustained multiple fractures that forced him to get a hip replacement. Afterward, he noticed the movements controlled by or originating from his hips had become severely limited.

He was unable to sit cross-legged or squat or walk fast or run. Standing up straight and walking by himself was out of the question, so Mike had to use a walker to get around.

For one whose life had reached a point of independence, this unexpected turn of events was a difficult path to tread. Mike's mother had to devote time to caring for him round the clock, and Mike found this hard to deal with.

Through all this, Mike and his mother believed in the power of God to change any situation, so when they heard about the Healing Streams Live Healing Services with Pastor Chris, they registered immediately. His mother mentions how they prepared for this life-transforming encounter: *"We believed this was our time, so we were prepared. We did a lot of praying and built our faith. We were ready for Healing Streams."*

Because China's time zone is seven hours ahead, Mike and his mother had to be awake by 1am when the program was scheduled to start. The vigil was a small price to pay, so they connected to the Live Healing Services and participated.

It didn't take long before Mike noticed that the power of God was already working in his body. *"During the healing services, I was healed from head to toe,"* he declares. *"While I was worshiping, I felt the power of the Holy Spirit in my spine, and on the scars on my chest and my leg. Then, I felt an itching sensation on my scalp, followed by a hot sensation in my head."*

Following instructions from the man of God, Mike's mother placed her hands on her son while touching Pastor Chris' hand on the screen. Mike says, *"When Pastor Chris commanded the devil out, I felt a weight lift off from my entire back. Then, he said to do what I couldn't do before. I tried and found that I could sit cross-legged. I hadn't sat like that since I had the hip replacement surgery."*

That was the one touch from God that would correct everything that had gone wrong for Mike. His vision cleared and he regained full use of his limbs. Having fully regained his memory, Mike exercises his mind daily by meditating on God's Word and boldly making faith confessions over his life.

His vision cleared and he regained full use of his limbs. Having fully regained his memory, Mike exercises his mind daily by meditating on God's Word and boldly making faith confessions over his life.

When Mike's family heard about the miracle and saw Mike walking unassisted, they were shocked. With irrefutable proof of the validity of the Gospel of Jesus Christ, several of them gave their hearts to the Lord, joined church, and have begun preparing for the next Healing Streams Live Healing Services.

"Everything that was bothering him before just melted away. Mike is going from strength to strength. He exercises now," Sabrina summarizes.

Mike learned to play the piano again, a sure sign that the brain injury is healed, and as he plays and sings a Chinese rendition of the popular hymn, "How Great Thou Art", it's obvious he has a grateful heart that's full of joy. Now, his prospects of joining an accounting firm and furthering his education are back on track. Glory to God!

To the man of God, Pastor Chris, Mike's mother has a note of thanks. She says, *"Dear Pastor Chris, thank you for creating this platform for healing people all over the world."*

Mike's tale of triumph and turnaround is proof that, no matter how impossible or hopeless the situation might seem, nothing is too hard for the Lord. With Him, all things are possible.

Like Rivers In The Desert

July 2021 Healing Streams Live Healing Services with Pastor Chris

He opened the rock, and the waters gushed out; they ran in the dry places *like* a river (Psalms 105:41).

And it shall be that every living thing that moves, wherever the rivers go, will live. There will be a very great multitude of fish, because these waters go there; for they will be healed, and everything will live wherever the river goes (Ezekiel 47:9 NKJV).

Like rivers in the desert...

That's the best way to illustrate what the world witnessed at the July 2021 Healing Streams Live Healing Services with Pastor Chris. Indeed, the Scriptures came to life, as God's healing power flowed from the temple, bringing life, hope, and healing to people all over the world.

For three days from 9 to 11 July, the world was enveloped in an overflow of the supernatural. The program was one unending episode of praise and exultation. Streamed live via Healing Streams TV website, the Healing School mobile app, and Loveworld Networks in over 4,000 languages, the Live Healing Services reached a vast global audience of more than 5.5 billion people.

God's mighty power and the presence of His Holy Spirit filled countless on-site and virtual healing centers. With people participating in their homes, as well as hospitals, offices, and various other places in villages, towns, cities and nations, the stage was set for an experience that would be beyond ordinary.

Before the start of the epochal program, there was high anticipation across the nations for the advent of miracles. Individuals, church groups, organizations, and many more readied themselves and others by spreading the word and creating healing centers, so that all could partake of this inimitable grace.

Following prayers and inspiring moments of worship, the program started with a welcome message by the director of the Healing School, Pastor Deola Phillips. Reading the Bible from Ezekiel chapter 47, she drew a parallel between the water that issued from the temple in the prophecy and the streams of healing that would issue from the Healing Streams Live Healing Services to the rest of the world.

She charged everyone to come to that river, and to bring everyone they know with them: *"As the Word comes to*

you, rejoice; thank the Lord and take your steps of faith. We are so excited to be with you because we know that we have come to you with the fulness of the blessings of the Gospel and everyone that partakes of it will not leave the same."

PASTOR DEOLA PHILLIPS

In a series of uplifting talk shows, Pastor Deola and senior ministers at the Healing School – Rev. Tom Amenkhienan and Rev. Ray Okocha – reviewed the impact of the Healing Streams Live Healing Services. As they shared the testimonies, they guided the audience on how to activate their faith and receive their miracles.

Intimating that this program was a fulfillment of the Lord's prophecy in John 14:12, Rev. Tom declared that the staggering statistics recorded from previous healing services would be outclassed by the results from this edition. Talking to those expecting miracles, he said, *"If you have received a sign that your healing has started, praise and thank God. The power of God has started moving and as you praise, it will take over your body."*

REV. TOM AMENKHIENAN

Admonishing the live global audience to focus, Rev. Ray said, *"Don't listen to the pain. Don't listen to the condition or what you've been told about it. With God, nothing is impossible. Right where you are, the power of God is present."*

REV. RAY OKOCHA

To whet the faith of those around the world waiting to receive their healing, special testimony segments anchored by Evangelist (Dr.) Eddy Owase, a senior minister at the Healing School, featured several whose lives metamorphosed when they encountered God's mighty power through the healing ministry of the man of God, Pastor Chris. The testimonies, one after the other, proved beyond doubt, the love of God for mankind and His will for all men to live in absolute health.

Participating in the Live Healing Services from Brunei, Evangelist Erlinda had great expectations for a touch from God. She had had lumps in her breast for two years. She attests: *"When the man of God said to place hands where we needed healing, I put my hands on my breast. Then, suddenly, the mass was gone! From that time until now, I haven't felt any pain."*

EVANGELIST ERLINDA

Tovia suffered from a skin disease that irritated her skin and caused severe itching, which resulted in wounds when she scratched. The condition defied treatment and her parents' efforts to find a solution proved null and void. During the Healing Streams Live Healing Services with Pastor Chris in March, Tovia received her healing when the man of God declared healing for children all over the world. Today, Tovia's skin is perfect. No more itching, scarring, or bruising!

TOVIA AND HER DAD

The hearts of billions in the global congregation went up in praise to God during moments of marvelous music ministrations. All lifted holy hands and sang praises in joy and thanksgiving. The songs ministered power and life, such that some people began to receive healing and were freed from different kinds of diseases and infirmities.

In the ambiance of worship and exaltation, the man of God, Pastor Chris Oyakhilome, arrived. Beginning with ministrations of the Word, he taught deep truths from the Scriptures about the new creation in Christ.

"When you're born again, Jesus guarantees you something far better than healing. Healing is for the whole world. But when you're in Christ Jesus, what He gives you is divine health," Pastor Chris explained.

Referencing Acts 10:38, the man of God expounded: *"God loves to heal. He never made men sick; it's the devil who did that. In this meeting, God is right there where*

Like Rivers In The Desert

July 2021 Healing Streams Live Healing Services with Pastor Chris

you are. It doesn't matter where you are participating from, He is there with you."

The man of God ministered healing to the sick with compassion and firm determination. First, he attended to a few who were present in the auditorium. Next, he ministered to some who were participating at home, in hospitals, and other places via video conference.

Then, he instructed the audience to place their hands wherever they needed healing as he prayed, declaring all infirmities healed and every disease gone, casting out demons of affliction, and pronouncing wholeness to all.

Instantaneous miracles restored peace and joy to many, giving cause for much celebration and rejoicing in families and communities across thousands of cities in every nation across the globe. Exhilarating shouts of joy and victory celebrations earmarked every place where people were participating in the program.

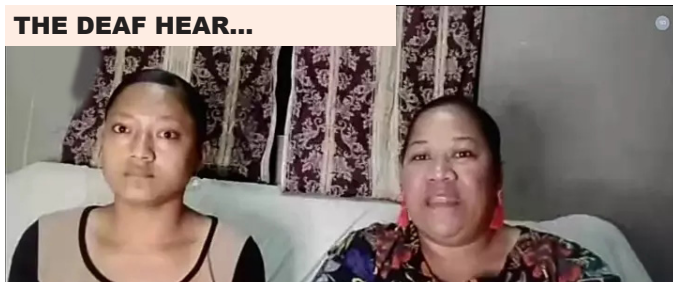

There was a flood of miracles everywhere. Deaf ears were unstopped, the lame walked, blind eyes popped open, skin conditions cleared, cancers and growths disappeared, and all manner of infirmities were dispelled in an instant.

MIRACLES EVERYWHERE...

Diagnosed with systemic lupus erythematosus, Greatness Aminu suffered debilitating pain for years. She received a miracle when the man of God ministered to her during the healing services. She is healed and free. Hallelujah!

THE DEAF HEAR...

For 17 years, being deaf robbed Elisiva Falekaono (left) of a normal life. Watching the program from Tonga with her mother (right), she touched her ears in faith as Pastor Chris prayed and she received her miracle. Her hearing is sound now, and she has started talking again. Hallelujah!

THE LAME WALK...

Ono Ifeobu from Germany fractured his femur in an accident. For six months, he endured extreme pain as attempts to alleviate the situation caused further complications. As soon as Pastor Chris declared him healed, Ono jumped to his feet and started rejoicing. "No more pain, whatsoever!" he says.

THE BLIND SEE...

Baby Janel suffered from blindness since she was two months old but, right after the Live Healing Services with Pastor Chris, she started recognizing people. She can see perfectly now. *"Thank you, Pastor Chris, for bringing joy to my home,"* the mother says. Glory to God!

SKIN CONDITIONS CLEARED...

Pastor Innocent testifies: *"This 3-year-old boy had wounds on his body that didn't heal despite several medications. During the healing services, the boy went to sleep and, because their internet connection was bad, I texted Pastor's instructions to lay hands on children to his mother. He woke up the next morning and the wounds had dried up!"*

CANCERS DEMATERIALIZE...

Pancreatic cancer put 42-year-old Edward from El Salvador in an awful state and the symptoms took a toll on his body. As the man of God ministered, strength came to him and he got out of bed without any help. This was a first after a very long time. He enjoys divine health and can do anything now.

THE DEAD ARE RAISED...

Isaiah Joshua experienced Christ's resurrection power. He'd come in sick to a healing center for the program but then, he collapsed and stopped breathing. A medical examination confirmed him dead. Isaiah is alive today and tells his story: *"While I was out of my body, I saw Pastor Chris and he told me to go back. I will serve God for the rest of my life!"*

Testimonies of miraculous healing and transformed situations poured in from everywhere. The senior ministers called out each report with glee and excitement.

"I am healed! Since a motorbike accident in 2010, I've suffered severe pain due to a bone fracture. Anytime I attempted to wear boots or shoes, my ankle would get swollen. After Pastor's ministration, no more ankle pain!"
- Prince from Australia

"I was HIV positive for years. I was healed on the first day of the Live Healing Services. I bought self-test kits the following day. The first test was negative. I repeated it and the second test was still negative. Thank You, Jesus!"
- Ethelda from Bosnia & Herzegovina

Each day, Pastor Chris made a call for salvation, and many all over the world proclaimed Jesus Lord of their lives. On the last day, he also prayed for those who wanted to be filled with the Holy Spirit. *"While Pastor Chris was praying, I got filled with the Spirit, I felt some electricity, I was shaking, and then I felt light,"* says Mabel from the United States.

The man of God specially recognized and warmly greeted guest ministers who had come from various nations to attend this grand event. He also thanked partners all over the world for their contributions to the fulfillment of taking healing to the nations through Healing Streams, acknowledging that many lives have been transformed because of God's love that flows through them.

The man of God blessed the global congregation with continuous increase and renewed strength, and thereafter ended the program.

What a wonderful time of change and transformation. The world continues to marvel at the mighty works the Lord has done and is still doing. Truly, the July 2021 Healing Streams Live Healing Services is the greatest crusade the world has ever seen.

And now, it's time to shake the world once again for Jesus! Find faith and inspiration for your miracle at the October 2021 Healing Streams Live Healing Services. Don't miss this opportunity for a divine impartation. Register now; see more details on the back cover. God bless you.

A Partnership That Works!

Taking healing to the nations is a call for every child of God to fulfill their purpose in Christ by demonstrating God's love to the people of the world. It is an act of faith, with an underlying benefit: God makes happen for you what you make happen for others. Deaconess Jenny Siua from Hawaii is an ardent partner of the Healing School and has a beautiful story to tell, of how God honored her faith and how her partnership prevailed over her son's life.

"In 2016, my son, who was barely age two, suffered a seizure. The seizure stopped his breathing and when we rushed him to the hospital, the neurologist told us he wasn't sure my son would make it through the night. We were left to decide whether we wanted him on life support or not," she narrates.

Saint-Victor spent the next week on life support while the doctors tried to figure out the cause of the seizure. They ran several tests and a scan showed that there was inflammation in the brain, but they couldn't figure out why.

The week after that, Saint-Victor's condition improved and he was taken off life support. But, as soon he was moved to a regular room, he suffered another seizure and had to be moved back to the ICU. He developed a fever and nausea, and the EEG tests showed he was having seizures that were undetectable to the eye. As a result, he lost the power of speech and was unable to recognize his parents. *"He grew weaker and more tired; all he did was sleep,"* his mother recalls.

The doctors predicted that Saint-Victor might stay this way for the rest of his life, and that it would likely take six months of physical therapy for him to walk and talk again. When his parents heard this, they decided that it was enough. As a step of faith, they emptied their accounts and sowed a seed to the Healing School, strengthening their son's connection to divine health in Christ.

They didn't have to wait long to see results. That same night, Saint-Victor started walking again. Their joy was boundless, but their faith would be tested further. *"After seeing the results of our seed, Saint went through another series of seizures,"* Deaconess Jenny recounts.

The doctors recommended an invasive procedure to clean his blood, suspecting a bacterial infection. This was an extreme measure and a last resort. Saint-Victor's parents declined this course of treatment and ordered all testing stopped. Their faith gave them better assurance.

"We knew that we just needed God to work because Saint-Victor would come out as a walking testimony of God's love and mercy," Saint's mother recalls, breaking into a smile.

Two weeks later, Saint-Victor was discharged from the hospital, totally healthy and with no record of seizures. Today, he's a happy six-year-old who loves to sing. Wearing a charming smile, he says, *"I thank you, Pastor Chris, for loving God so much."*

"If you're yet to partner with Healing School, this is your divine opportunity," Deaconess Jenny advises. Change lives and assure health for you and your loved ones through your partnership with the Healing School. Kindly visit www.enterthehealingschool.org/partner for more information.

FAITH'S PROCLAMATIONS OF HEALING & HEALTH

My son, attend to my words; incline thine ear unto my sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh (Proverbs 4:20-22).

The Word of God is medicine; it has curative powers. If you'd meditate on the Word, it'll destroy every and any form of disease and infirmity in your body. The Bible says, **"He sent his word, and healed them, and delivered them from their destructions"** (Psalm 107:20).

The Word of God does much more for your spirit than physical food does for your body. Stay in the Word, and you'll always be healthy and sound. Meditating on the Word will cure the blood condition, get rid of the HIV and any infectious virus; it'll heal your bones, heart, and skin and produce life in you!

God's Word is the solution to every challenge. Its potency and efficacy are undeniable. As you meditate on the Word, a metamorphosis takes place in your life. If you're facing challenges in your health, don't despair. Get a hold of God's Word and there'll be a change.

CONFESSIONS

Eternal life is my present-hour possession. Therefore, no sickness can fasten itself to my body. I am fashioned after the Last Adam, a life-giving Spirit, and out of my belly flow rivers of living waters, bringing healing and divine health to everyone I touch.

God wants me to prosper and dwell in health, even as my soul prospers. Therefore, I declare that my body, my soul, and every aspect of my life conform to God's will. I live in God's ageless zone; there is no want, no fear, and no death in my path.

I walk in the light of God's infallible Word. I walk by faith and not by my senses. I refuse every evidence according to my senses that contradicts what the Word says concerning me. I've been delivered from sin, sickness, and death, and catapulted into God's realm of abundant life where I reign victoriously with Christ every day.

Christ is my life, and in Him is neither darkness nor any shadow of turning. Christ is where I live; He is my atmosphere and, in Him, I live and move and have my being. Christ lives in me; like the eagle, He renews my youth daily. Christ is my peace; there's nothing missing and nothing broken in my body and mind.

I have the life and nature of God in me; I've put on the new man, which after God is created in righteousness and true holiness. I'm excited about my new life in Christ. I've passed from death to life; from sin to righteousness; from sickness to health; from poverty to wealth. Praise God!

I was crucified with Christ and raised together with Him; the person who could get sick died on the cross. I am a new creation in Christ Jesus, and divine health is written in my new genetic code. Christ has abolished death and sickness, so I refuse to be sick and I refuse to die.

I am not ordinary; I refuse to accommodate any form of weakness in my body. In the Name of Jesus, I refuse arthritis, diabetes, cancer, tumor, paralysis, heart failure, kidney failure, or lung failure in my body. I declare that I live, rule, and reign above them all, in the mighty Name of Jesus.

My body is God's temple; sickness and death are not allowed to operate in it. My body is for offering sacrifices of praise to my heavenly Father. God's glory is seen in my body, as I display health, beauty, and splendor. Hallelujah!
